Generous June is an initiative that seeks to engage churches, communities and individuals with generosity throughout the month of June.

So, why are we looking at this? Aren't we generous enough?

We rarely talk about giving in church and it can feel like a touchy subject especially if we feel stretched to the limit already and are then asked for even more, whether that's time or money.

But actually the context of any giving on our part is that we have a generous God who gave everything for us, and we're made in his image.

Sometimes we give out of duty or guilt, rather than out of joy, recognising that all we have is God's anyway, and knowing we're held by grace.

We hope you will join us during June to find out more.
