NOTICES

Please can you return your old palm crosses to the church by the end of January. Thank you.

Over 53,000 households across Sussex are living in fuel poverty this year. The escalating cost of living and soaring energy bills are forcing families into a distressing dilemma: choosing between warming their homes and putting food on the table, or covering crucial expenses such as shoes and clothing.

Can you consider sharing your winter fuel allowance with those local families who are facing the greatest hardships?
