THANKSGIVING

As part of our Christmas celebrations, when we remember the birth of our Saviour, we give and receive gifts. At Epiphany we remember the wise men bringing their gifts to the Christ Child. As Christians each Sunday we celebrate the greatest gift of our Saviour who gave his life and rose from the dead to save us from our sins.

So where in all these celebrations do we fit in and what gifts do we bring to our Lord?

As Paul wrote, we all have many and various gifts, and these can benefit our secular lives as well as in the church where we call them talents. Being on the coffee rota, cleaning the church, washing the linen, arranging the flowers, maintaining the churchyard, doing general repairs, being a sidesperson etc. are all vital to maintaining and running a vibrant church.

Talents alone will not sustain the church which needs major maintenance, heating, lighting, water, the parish office and of course our clergy - all of which cost money. This is where regular giving becomes so important for budgeting and paying our regular bills.

Thankfully there is now a very effective and simple way in which anyone with a bank account can give regularly. This is the Parish Giving Scheme (PGS) which was set up some years ago by the Church of England. It has the advantage that our church receives income monthly thereby avoiding the 'feast and famine' syndrome. Furthermore, if you are a taxpayer the PGS scheme obtains any Gift Aid due on a monthly basis. This is then passed onto the church with the relevant donations. At this point it is worth mentioning that there are very few people who do not pay any tax. Although you may think you do not pay tax that is because it has in most cases been deducted from your income at source such as your salary, investments or pension. Therefore, everyone who is eligible should 'Gift Aid' their donations as the government increase the value of your donation by 25p for every pound you donate.

Donating through the PGS simply involves filling in a form or applying online at www.parishgiving.org.uk. If you would like a form and information pack, please speak to our Rector, Christine, or one of the Parish Wardens.

Last year it cost more to run our church than we received from all sources. Past generations provided the whole community with the church we love. It is therefore essential that we all donate a realistic amount on a regular basis to maintain this church now and for future generations.

If you have any queries, please do not hesitate to contact me confidentially.

Wednesday Lent Course for 2023. Every Wednesday, we're going to be looking at an aspect of Christian discipleship which can often seem daunting: evangelism – sharing the 'good news' of Christ with those who have yet to receive Jesus into their lives and offering to accompany enquirers as they set out on the journey of faith. As someone currently exploring a vocation to ordained ministry and required to give my own testimony as part of that process, I've been reflecting on how to develop our ability to speak about the faith that gives meaning and purpose to our lives. I've come to realize just how precious these personal testimonies are, and – no matter how 'ordinary' they might seem to us - how powerful they are in encouraging others to come and see what it *truly* means to follow Jesus.

This Lent course is all about valuing and nurturing our personal faith stories and thinking creatively about how we might share them with others. Combining a mixture of discussion-based activities, meditative scripture-reading and prayer, this course sets out to deepen our understanding of what sustains each of us in our faith, and to embolden us in our shared calling to be evangelists of the gospel.

Telling Our Story – CAP Evangelism Training

Starts: Thursday 2nd March 7:30 pm

Hosted at Elim Church Crawley, The Mardens, Ifield, RH11 0AQ

"The church has the greatest story to tell. But the reality is many Christians say they struggle to tell our story confidently.

In all our work, the heart of CAP is to tell this story and bring hope into the darkness of our lives. As an evangelistic organisation, we want to help local Christians to tell our story, the story of Jesus and how He has given us a new story.

We are hosting our first "telling our story" evangelism training. Over four interactive evenings in March, we will talk through 4 of the storylines in telling our story:

1 His Story – what is the gospel?

2 Story Pictures – gospel images of salvation.

3 My Story – learning to tell my story.

4 Starting A New Story – leading someone to faith in Jesus.

This is open to all Christians from any church. You don't need to have any connection to CAP. Our aim is to equip Christians to share our stories confidently. Knowing it's not just about what we say but how we say it."
