COSTA RICA

ABOUT THE TRIP

- I will be in Costa Rica for 27 nights.
- During this time, I will be helping build and finish projects that make a real difference to the local community.
- I will also be helping local people practice their English, while they help me learn Spanish.
- I will be clearing rainforests, helping to protect the environment and support the community.

WHY I'M DOING THIS
This trip is about more than just travelling - it's about learning, growing, and making a positive impact in another country. I'll gain new skills, build confidence, and experience a new culture while helping those who need it most.
